Eric - Could you send me your draft action memo for both sites so I can begin to develop a fact sheet for both. Thanks!

We need to talk and I have to get your input for this fact sheet. Thanks again!

Good Afternoon:

As indicated last week, I will now be the lead OSC for Holy Trinity Cemetery. I wanted to go over some preliminary plans with the group. I would also like to discuss some overall public affairs strategies for both sites (NFB & HTC). We will go through some quick visuals as well, so Adobe Connect will be used again. This should only take about 30 minutes depending on questions and comments from the group. Thanks

The phone conference info is below. We also have an Adobe Connect for visual presentation if the group is able to login. Please try to login as a guest between now and then to check and see if you can access Adobe Connect. Thanks
